BEWARE

Fast talking competitors may try to get you to switch providers without you even realizing it. Know the right questions to ask before they show up on your doorstep. And remember, never ever give anyone a copy of your energy bill.

BEWARE OF DOOR-TO-DOOR ENERGY SALES

How long will rate remain in effect?
Is the price fixed or does it change?
Is there a switching fee?
Is there a fee if I cancel the contract early?
What happens when my contract expires?
Who provides the billing?
How long has the company been in business?
Are you licensed as a door-to-door solicitor in my community?
What is the price?
Are you a PUCO-Certified Supplier?
