(Community Name) is a member of NOPEC's (natural gas, electric, natural gas and electric) aggregation program(s). As a nonprofit group of over 235 Ohio communities, NOPEC negotiates lower utility rates. Since 2001, NOPEC has saved residents and businesses over \$300 million. NOPEC also provides member communities with energy-saving grants, low-interest rate financing for energy-efficiency projects, and community outreach programs to help residents learn how to save even more.
