

Ohio Volkswagen DMTF Program

- Summary:** The [Ohio VW Diesel Mitigation Trust Fund \(DMTF\) Program](#) is soliciting applications to owners of eligible medium and heavy diesel fleets in 26 Ohio priority counties to apply for grants to repower or replace diesel vehicles and equipment with new clean diesel or alternative fuel (CNG, LNG, propane, diesel-electric hybrid) or all-electric vehicles and equipment.
- Agency:** Ohio Environmental Protection Agency
- Eligibility:** To be eligible for repower or replacement with grant funds, vehicles and equipment must be operating within designated Ohio's [26 priority counties](#).
- Funding:** The DMTF Program award range is between \$50,000 - \$2 million per entity.
- Cost Match:** All projects require a minimum match of 25 percent, with larger matches required for some project categories.
- Deadline:** Applications are due by August 2nd, 2019 and must be submitted online, in the electronic form posted in [Ohio EPA's Customer Support Center](#).
