Emergency Management Performance Grant

**Summary:** The purpose of the Emergency Management Performance Grant (EMPG) Program is to provide federal funds to states to assist local governments in preparing for all hazards. The grant will cover planning, organizational, equipment, training, and exercise costs as related to community security and emergency management.

**Agency:** Ohio Emergency Management Agency

**Eligibility:** This opportunity is open to emergency management agencies that have an updated Emergency Operations Plan and demonstrate compliance with National Incident Management System requirements.

**Funding:** Local governments may apply for up to 50% of their total project cost. Each county in Ohio has been designated a specific amount of funds that will be awarded throughout the county. You may apply for any amount up to the maximum amount for your county. View all county allocations on page 13 of the program guidance.

**Cost Share:** 1:1. EMPG will cover up to 50% of the total project cost.

**Deadline:** Applications will be accepted until December 6th, 2019.
