

## RESIDENTS TO RECEIVE ELECTRIC AGGREGATION ENROLLMENT LETTERS

Eligible residents and small business owners will be receiving an electric enrollment letter for our community's electric aggregation program through NOPEC. Letters will begin mailing in early April for enrollment into the NOPEC electric program for the period beginning with customers' June 2023 meter read dates.

If you want to enroll in NOPEC's Standard Program Price, you don't need to take any action when you receive your enrollment letter. You will automatically be enrolled. NOPEC's initial Standard Program Electric price will be 6.45 cents per kWh from your June 2023 to your December 2023 meter read dates. This is significantly lower than the projected Standard Service Offer (SSO) rate the utility will be offering during this same period.

Additional information and rate options including fixed term, monthly variable pricing, and 100% renewable options can be viewed online at [nopec.org/electric](http://nopec.org/electric) or by calling NOPEC's Customer Care Center at 1-855-667-3201. If you don't want to enroll in the electric aggregation, you must return the opt-out form attached to your enrollment letter to NOPEC by mail or by fax to 440-774-4422 by May 2, 2023.
